SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK  
ON LICENSE 050059746

REF: 2006 BLUE LANTERN GUIDEBOOK

¶1. This is an Action Request. See paragraphs 2-4.

¶2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Embassy's assistance in conducting a post-shipment check on license 050059746 for the export of Super Tucano aircraft parts to Colombia. Embassy is requested to complete this Blue Lantern check within 45 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

¶3. Reason for request: Lack of documentation from Colombian Air Force (CAF), and need to verify its relationship with foreign consignee, Embraer (in Brazil).

¶4. ACTION: Embassy is requested to make inquiries with appropriate host government officials to determine if the CAF has received the Super Tucano spare parts from Embraer and that the articles are being used for the purpose stated on the license. Export data indicates that items worth \$7,426 shipped from the United States on April 4, 2008. Due to lack of documentation from the end user, post is requested to exercise its contacts within the Colombian MOD to verify this order.  
END ACTION.
